Answer

MINISTER OF STATE FOR LABOUR AND PARLIAMENTARY AFFAIRS (SHRI SANTOSH GANGWAR)

(a): The information on `closures and lock outs` and on `sick industrial units`, as provided by the Labour Bureau and the Board for Industrial & Financial Reconstruction respectively, is given in the Annexures.

(b): The number of workers affected due to closures and retrenchment is given below:-

(In Numbers)

Workers Affected due to	2000	2001	2002	2003 (Jan.-May)
(a) Closures	11904	11599	5406	1731
(b) Retrenchment	2963	3668	3843	892

(c) & (d): The decision for closure of any industrial unit is taken only after all options for revival have been considered. Due to globalisation and economic liberalization some employment opportunities in traditional industries may have declined but at the same time new employment opportunities have been created in a number of new areas such as information technology, tourism, financial services etc.

In so far as the Central Public Sector Undertakings are concerned, a `scheme for counselling, retraining and redeployment of rationalized employees of Central Public Sector Undertakings` wasintroduced in 2001-02 to enable such employees to avail opportunities of self employment.
